STYLE SAVIOURS

They'll help you look like perfection

THE BESPOKE TAILOR

Made-to-measure needn't mean endless trips to the tailor. Isaac Ely, a third-generation textile professional, will come to your home or office for style consultations, measurements and fittings. Garments—handcrafted from high-end fabrics by Zegna, and Holland and Sherry—are designer quality with one-of-a-kind fit. Suits from \$2,800, shirts from \$350. 416-440-8989, isaacely.com.

THE PERSONAL SHOPPER

If you're too busy to look like a fashion plate, delegate the shopping to an expert. Zayna Mosam is a stylist and image consultant who will perform a body and lifestyle analysis before building a personalized wardrobe. Mosam works frequently with male and female execs who want to polish their image, and time-strapped gala-goers looking to top the best-dressed list—she'll even make shopping trips to New York to hunt down the perfect pair of shoes. Preliminary style analysis \$250. 416-907-8156, zmimage.com.
